TeamMap for guards

Your whole shift in the TeamMap app, in pictures.

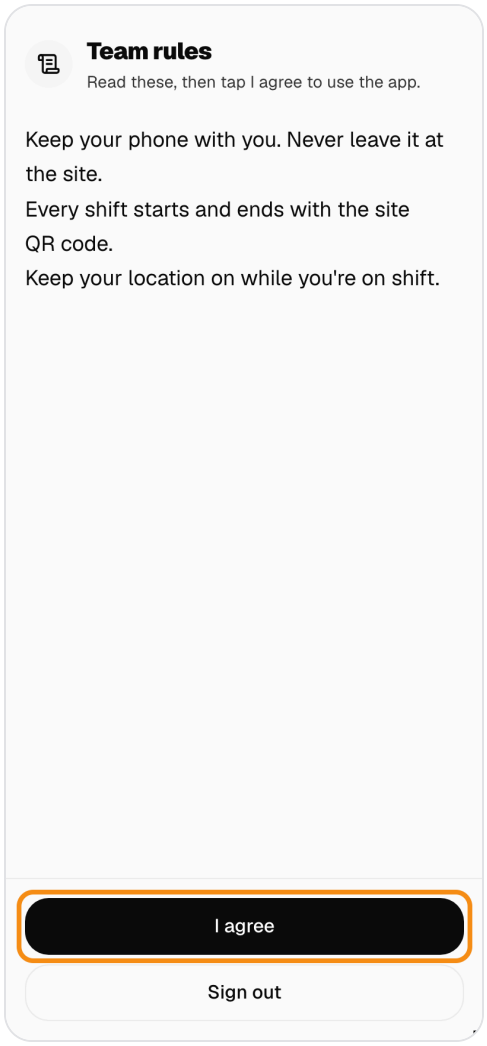

Before you start

- Update your phone (iPhone: iOS 18.4 or newer), then get the app:
- Sign in with the email your invite came to. Allow Location (Always) and Notifications.

App Store (iPhone) | Google Play (Android)

1 Agree to the team rules

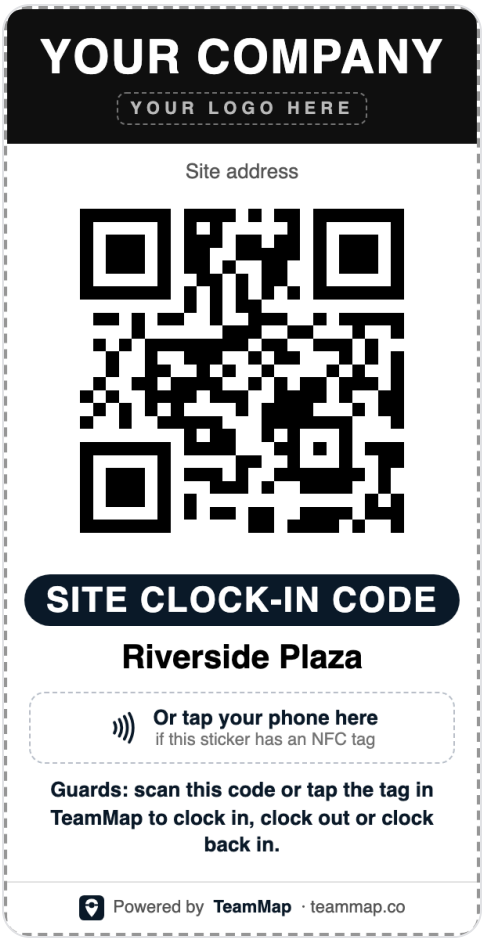

1. Read the rules, then tap I agree.

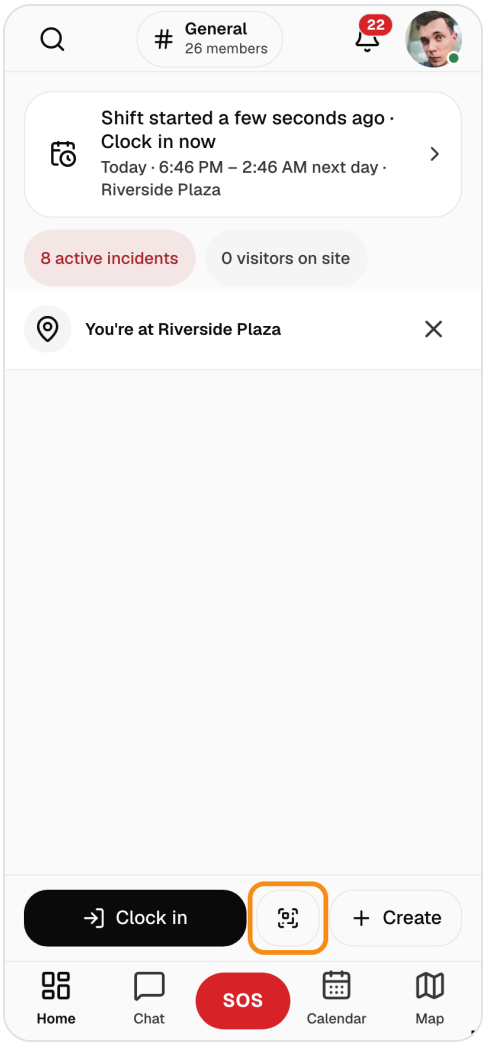

Your company's rules. Tap I agree.

2 At the site, scan the site sticker

1. Every site has its own QR sticker. On Home, tap Scan QR and point the camera at it.

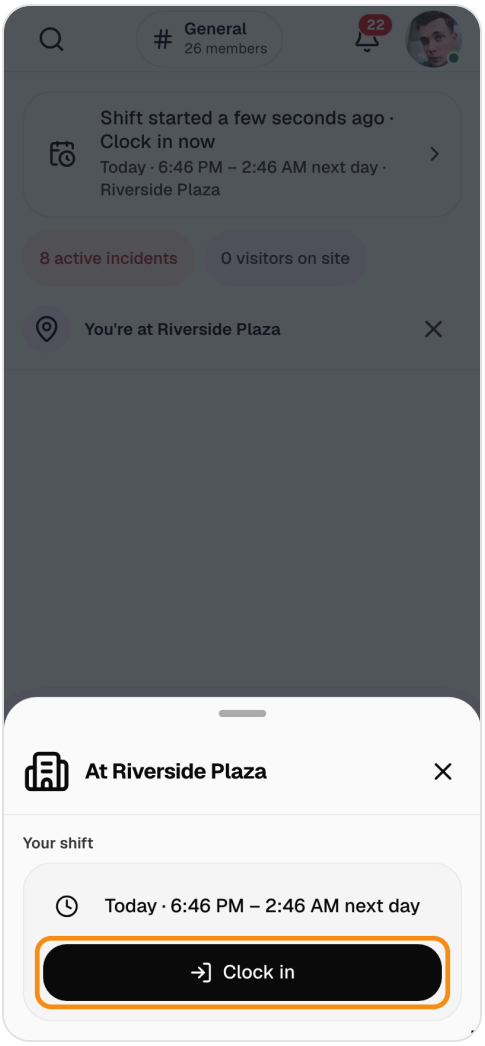

The site sticker. Scan the QR code, or tap the NFC tag if it has one.

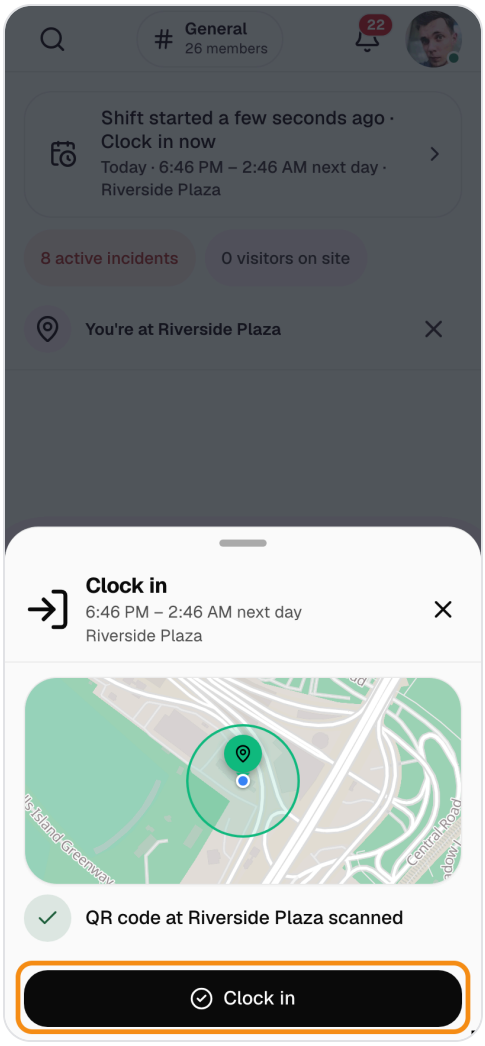

Tap Scan QR.

3 Clock in

1. Tap Clock in, then Clock in again. The circle on the map is the site.

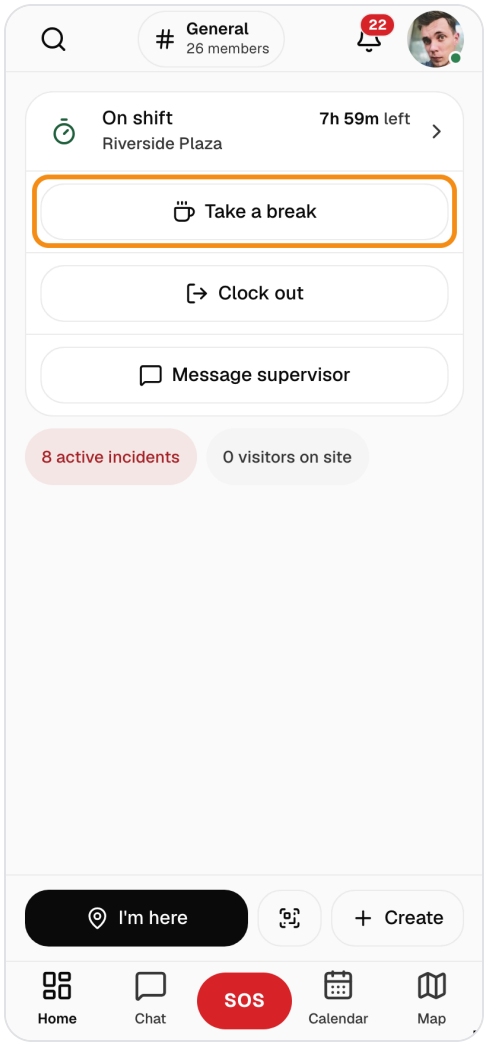

Your shift at this site. Tap Clock in.

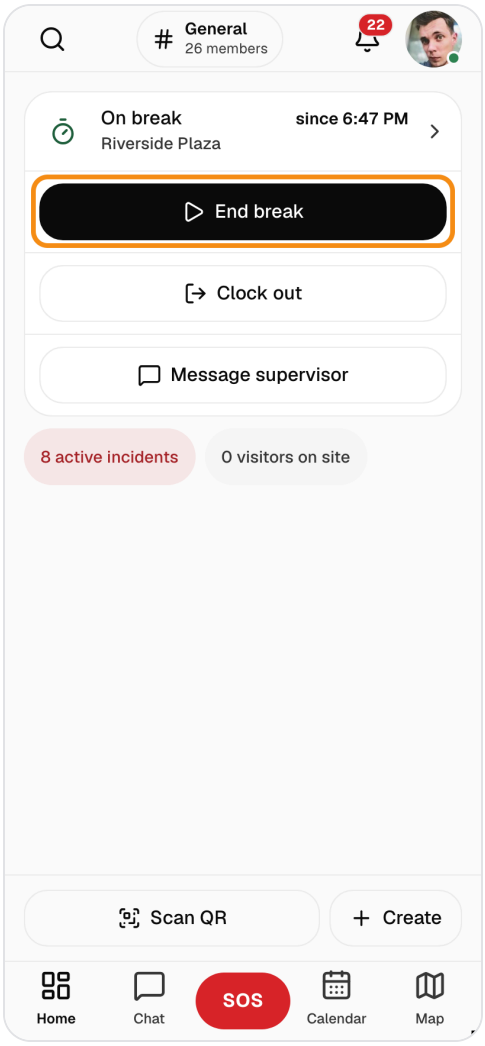

Inside the circle, sticker scanned. Tap Clock in.

4 Breaks

1. On Home: Take a break, then End break when you are back.

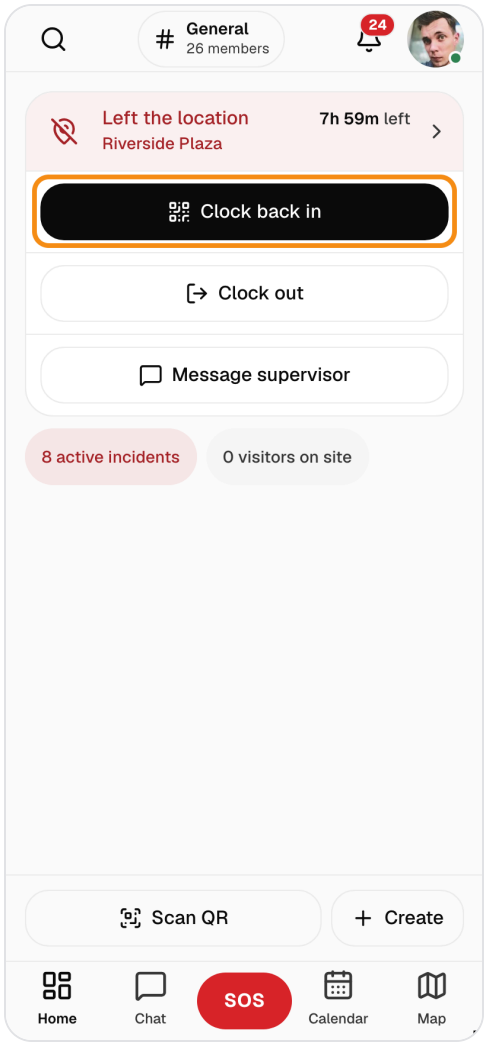

Take a break.

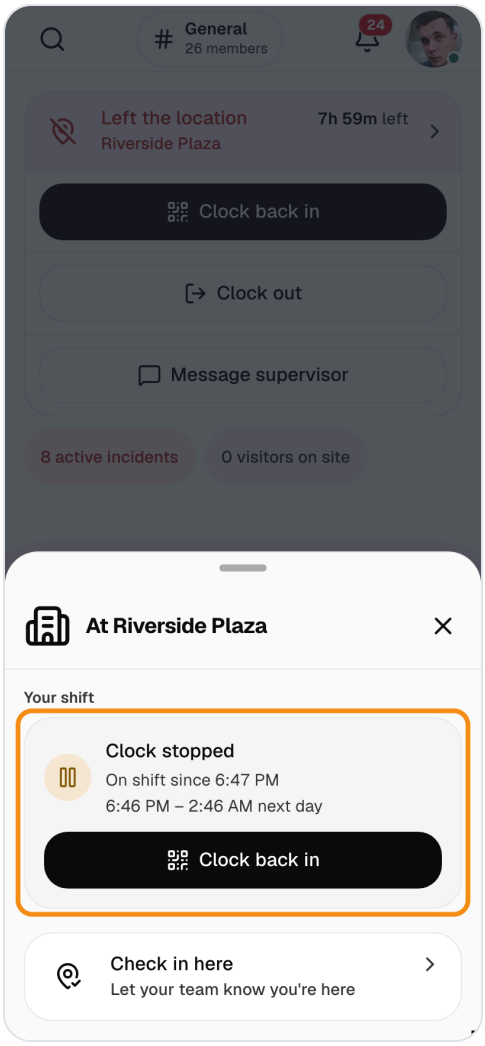

Back? End break.

5 Leave the circle and the clock stops

1. Outside the site circle, your clock stops and your supervisor knows.
2. Back at the site: scan the sticker, tap Clock back in.

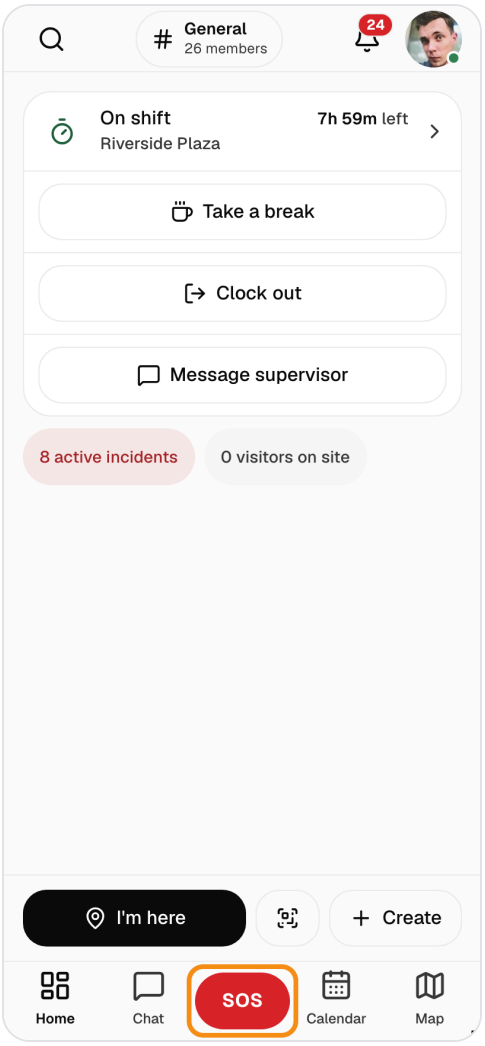

The clock stopped.

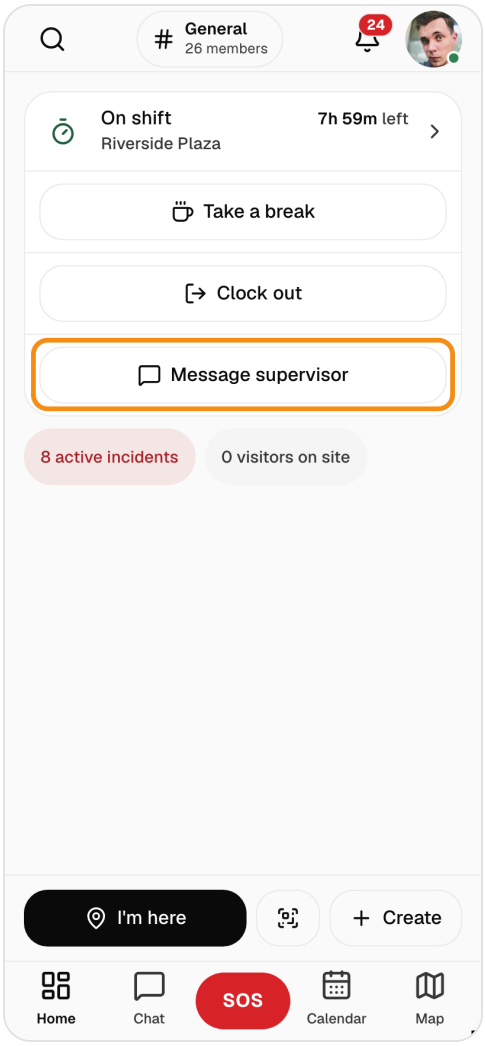

Scan the sticker, tap Clock back in.

6 Help

1. In danger: tap SOS and hold. Anything else: Message supervisor on Home.

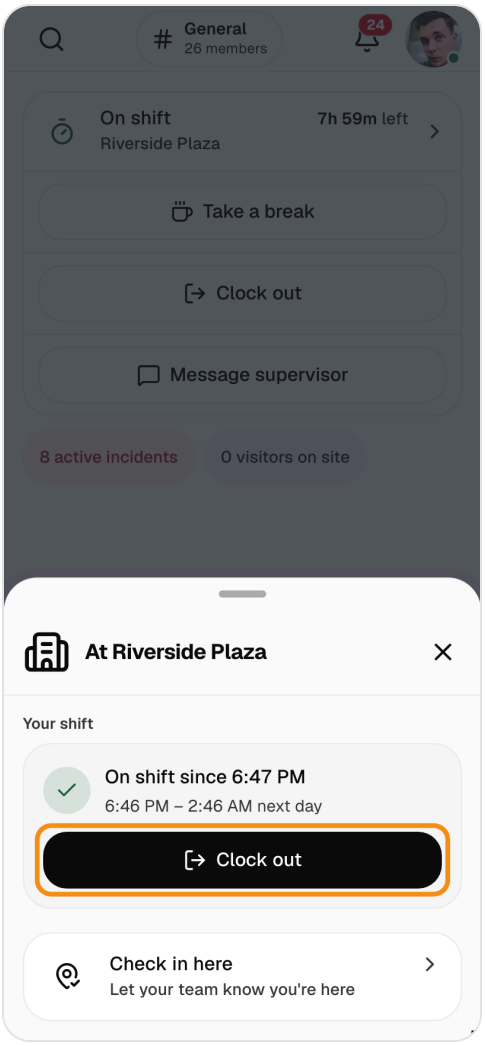

In danger: tap SOS, hold until it fills.

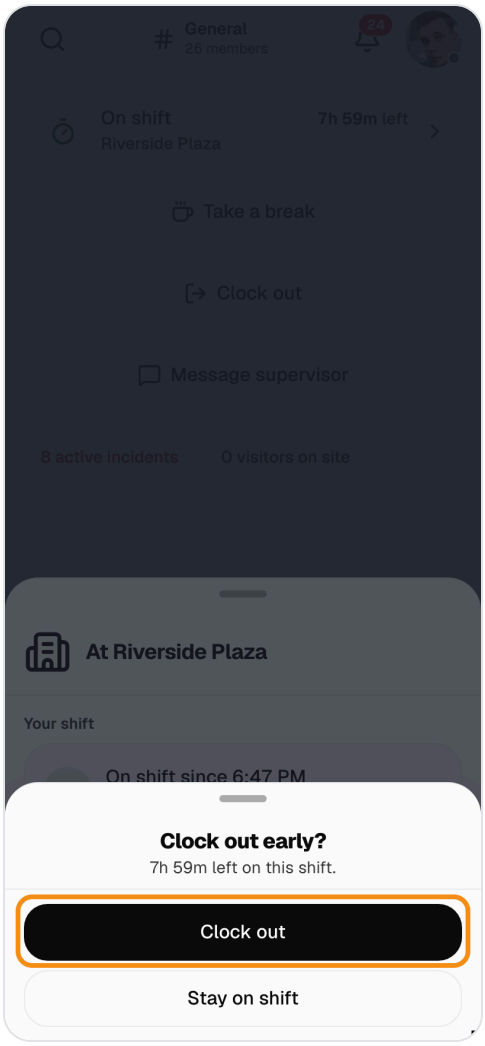

Not an emergency: Message supervisor.

7 Clock out

1. At the end of your shift, at the site: scan the sticker, tap Clock out.

Tap Clock out.

Clock out.

If something looks wrong

Sticker will not scan	Wipe the camera, hold still, add light. Still no: call your supervisor.
"Clock stopped"	You left the site circle. Go back, scan, Clock back in.
App will not install	Update the phone first (iOS 18.4 or newer).
Forgot to clock out	Call your supervisor.
